Return to applicant with a reason

Character and suitability of the applicant
Character and suitability of the applicant

Character and suitability of the applicant
Did anything arise during this period of QWE that raises questions over the individual's character and suitability to be admitted as a solicitor?

What are character and suitability issues?

Yes

No

Declaration

I confirm that in accordance with the SRA Authorisation of Individuals Regulations, the applicant has completed a period of qualifying work experience and:

QWE – What the Solicitor sees when confirming on the SRA website

- this work experience was for the number of months stated (full time or part time equivalent)
- the applicant has had the opportunity to develop some or all of the prescribed competencies for solicitors
- where the QWE has been completed in an organisation where I do not work, I have reviewed the applicant's work during the placement and have received feedback from the person(s) supervising their work.

I have read and understood the declaration. *

Screen shots

The screenshot shows a web browser window displaying the SRA website. The browser's address bar shows the URL: sra.org.uk/my-account/qwe-confirmation/#/969f246c-4e1f-4b79-a2b5-10ed15b07554. The page title is "Solicitors Regulation Authority". The navigation menu includes "Home", "My Profile", "Actions", and "Draft Applications". The breadcrumb trail is "Confirm qualifying work experience > QWE submission details". The main heading is "QWE submission details". Below this, there is a message: "Please confirm completion of this period of qualifying work experience (QWE)." A dropdown menu is open under the heading "Why am I being asked to confirm?". The details shown are: Applicant name: [REDACTED], Organisation QWE completed at: [REDACTED], Start date: 07/11/2022, End date: 19/05/2023, Duration: 6 months 2 weeks, Note from applicant: Nothing entered. At the bottom, there is a link "Details incorrect?" and a button "Return to application with 4 clicks". The Windows taskbar is visible at the bottom of the screen.
